International Women's Day is a Time to reflect on Progress made, to call for Change and to celebrate Acts of Courage and Determination by Ordinary Women who have played an Extraordinary Role in the History of their Countries and Communities. The 2019 Theme think Equal, build Smart, innovate for Change focuses on Innovative Ways in which we can advance Gender Equality and the Empowerment of Women, particularly in the Areas of Social Protection Systems, access to Public Services and Sustainable Infrastructure.

Echoing the Priority Theme of the Sixty-Third Session of the Commission on the Status of Women (CSW63), in 2019 the United Nations look to Industry Leaders, Game-Changing Start-Ups, Social Entrepreneurs, Gender Equality Activists, and Women Innovators to examine the Ways in which Innovation can remove Barriers and accelerate Progress for Gender Equality, encourage Investment in Gender-Responsive Social Systems, and build Services and Infrastructure that meet the Needs of Women and Girls.

International Women's Day 2019 Campaign Theme is "#BalanceforBetter", running All Year Long. It doesn't end on International Women's Day. Balance is not a Women's Issue, it's a Business Issue. The Race is on for the Gender-Balanced Boardroom, a Gender-Balanced Government, Gender-Balanced Media Coverage, a Gender-Balance of Employees, more Gender-Balance in Wealth, Gender-Balanced Sports Coverage ... The First International Women's Day occurred in 1911, supported by over One Million People. Today, IWD belongs to all Groups Collectively Everywhere. IWD is not Country, Group or Organization Specific...
